

08 May, 2026

To whom it may concern:

REF: ~Name

REPS India is a part of the International Confederation of registers for Exercise Professionals, ICREPS, which allows for portability through the mapping of national standards. These standards are set and agreed nationally and form the basis of reciprocal agreement between ICREPS Partners.

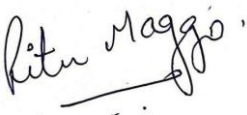

Based on the REPS India Categories, the above named holds the following India approved qualification:

Personal Trainer

Not all categories are transferrable and will vary depending on the register the applicant is joining.

Should you require any further details regarding registration for this applicant, please do not hesitate to contact REPS India.

Yours Sincerely,

Ritu Maggo

Chief Executive Officer

REPS India
